

FC2231

A close-up photograph of a mechanical assembly. On the left is a large, black, cylindrical component. On the right is a smaller, silver-colored cylindrical component. A white arrow points from the label 'FC2231' to the black component. A black arrow points from the label 'XFL212R-50N' to the silver component. The two components are joined together at their ends. The background is a light-colored, textured surface.
